

**LEAD LIKE JESUS**  
LET THE LEADER IN YOU SHOW

# A LEADERSHIP ENCOUNTER WORKSHOP

## CHANGE YOUR WORLD!

Lead Like Jesus imagines a world in which leaders serve rather than rule, give rather than take. We imagine leaders who produce results through service and sacrifice rather than through power and position.

Throughout the Lead Like Jesus Encounter you will explore effective and practical ways to live your faith at work, home and in all relationships. You will dig deep into scripture and examine the perfect and powerful leadership principles that Jesus modeled in everyday life. Whether you lead a corporation, church or a family, Lead Like Jesus will transform your life and the lives of those you touch.

Packed with 10 hours of action-oriented learning followed by weekly online E-Lessons, Encounter is a highly interactive, participant-driven leadership development workshop that exposes common leadership misconceptions and offers a practical model based on the greatest leader role model of all time, Jesus.

## UPCOMING LEAD LIKE JESUS ENCOUNTER

**“I can honestly declare Encounter to be the single most important development program offered to our staff. It is the one learning experience that focuses on the life and leadership of Jesus Christ as our role model and guide. It will challenge your paradigms about leadership.”**

Director of Talent Development,  
Evangelical Christians Credit Union

## WHAT DOES LEADING LIKE JESUS MEAN?

Leadership happens anytime we influence the thinking, behavior or development of another. Leading like Jesus is not based on position or power. It's not solely dependent on skills and knowledge. It's a love-based leadership model built on the foundation of an individual's character, integrity and on the power of relationships. It recognizes Jesus as the greatest Leader of all time and applies His way of impacting and empowering others to reach their God-given potential.

Leading like Jesus involves the alignment of our:

- Heart: what we believe about leadership
- Head: our leadership point of view
- Hands: our daily actions
- Habits: habits we cultivate for long-term impact

Since we believe Jesus is the greatest leadership role model of all time, our leadership model is simple: follow the Leader.
