

What if church

offered a way to serve those ready to lay down their lives for us?

RETHINKCHURCH invites you to be in ministry with the military as our first church wide event of 2013. It's part of the Martin Luther King Day of Service (January 21, 2013) emphasis, and it's what we do as United Methodists throughout the year.

Show your support today at umc.org/military. There you will find what you need to get started - resources, stories, and videos to share.

They give their lives to serve their country.

It's time we serve them.

Ministry with the Military.
