

Building Champions for Christ

The hope of spiritual renewal across the United Methodist Church will be incredibly impacted through the spiritual motivation and ministry involvement of United Methodist Men.

As boys are built into champions for Jesus Christ. This is a ministry model of spiritual development taught by Proactive Evangelism Ministries that captures the hearts of younger United Methodist Men through a spiritual vision of being used by The Holy Spirit to change lives forever as older United Methodist Men reach out to boys who need dads and ministry

Active United Methodist Men receive a spiritual vision. The PEM staff will come to your church for a weekend to lay a vision and organizational foundation that will revitalize your current UM Men's ministry.

UMMen act on a ministry plan. The PEM staff returns for a second weekend to train current and newly recruited UMMen to conduct a powerful Spiritual Life Weekend for boys in the church and community.

UMMen begin building champions. The PEM staff attends the Spiritual Life Weekend to serve as a catalyst for bringing the men and boys together and creating new relationships across generational lines.

During these experiences, UMMen will:

- ❖ Experience spiritual renewal
- ❖ Become unified by seeking the same goal
- ❖ Recognize their strength and potential in their church and community
- ❖ Be equipped to build a ministry that goes beyond the church walls into the community

The Result:

- ✓ Boys with little hope and future promise will have their lives transformed through Jesus Christ empowering United Methodist Men.
- ✓ Single Parents with little encouragement and support will find new friends and hope through Jesus Christ and the local church.
- ✓ United Methodist Men of all generations will come together in a spiritual bond to carry out ministry.

“UMMen is now describing men's lives in 20-year quarters. Using this simple word picture, Building Champions for Christ enables a 4th Quarter man to pair up with a 3rd or 2nd Quarter man to help a fatherless 1st Quarter man (youth) become a good and Godly man.” Larry Malone, Director, UMMen Ministries, General Commission on United Methodist Men *As Boys Are Built Into Champions for Jesus Christ*

Today, United Methodist Men are in critical need of:

- ✓ Spiritual Motivation for Ministry Action with UMM Groups across the church.
- ✓ A New Vision and Passion for Local, Life-changing, Hands-on Ministries
- ✓ Fresh, Effective and Practical Strategies for Recruiting Younger Men in the UMM Ministry

But How?

“EVANGELISM is very important to United Methodist Men throughout the country. I am very excited about the ‘Building Champions for Christ Ministry’ and how it can make a powerful difference in the lives of men young and old. That is why we recommend this ministry to all United Methodist Men and hope and pray that God will touch your hearts to get involved with this ministry. How better to tell others about our Lord and Savior Jesus Christ?” Dan Ramsey, Chairman-Evangelism Committee, National Association of Conference Presidents, General Commission of United Methodist Men

P.E.M. was founded in 1993 as a United Methodist ministry of evangelism by the Rev. Jim W. Hollis, a General Evangelist of the North Georgia Conference. P.E.M. has established new outreach ministries in 36 states, 32 Annual Conferences and 8 denominations. Additional areas of training and consultation with churches, districts, and conferences include:
