

# WESLEYAN WORLD WAR ON HUNGER

World Methodist Council men's affiliate

World Fellowship of Methodist and Uniting Church Men (WFMUCM)

**Imagine this Headline!**

One million Wesleyan families and individuals wage world war on starvation and severe malnutrition through an act of sustained sacrificial giving. With the goal of one million daily gifts of one dollar a day, four million persons are fed daily. The world takes notice..., because 25,000 persons die daily of starvation and malnutrition – that's one death every three seconds!

**A Global Wesleyan Family**

Wesleyan Christians, churches and denominations of the World Methodist Council unite in sustained sacrificial giving as they answer Christ's command to "feed my sheep!"

**Mission Partners**

**Stop Hunger Now** is an international hunger relief ministry with a practical means of assembly and distribution of basic nutritional food in regions where malnutrition is common.

Stop Hunger Now meals presently cost about \$.25 per meal. One meal daily can prevent starvation and severe malnutrition. Twenty five cents per day (or equivalent) can be expressed as one human life share.

Other hunger ministry partnerships will be established and supported to reach and feed the world's nutritionally deprived poor in the most effective manner.

**Target Regions (Meal Packaging Program Facilities)**

- South Africa 2009 (operational now)
- South Korea 2010
- South America 2011
- Southeast Asia (Philippines) 2012

**World Methodist Council Launch**

- August 2011
- World Methodist Conference, Durbin South Africa
- Package 4 million meals over a 5 day period
- Event Budget: \$1,000,000

**Funding the Vision**

A designated **Wesleyan World Hunger Fund** will be established under the stewardship the World Methodist Council for the purpose of international hunger relief. The financial backbone and empowerment of this vision comes from sustained sacrificial giving. When many thousands of us are committed as investors in one or multiple human life shares (\$.25 daily), we will lead a global assault on hunger, poverty and world health.

Every Wesleyan Christian who enjoys relative affluence and abundance (on a world scale) is enjoined to engage in sustained investment in one or more human life shares. As one great World Wesleyan Band, may we strive with God to *feed one million of the world's poor every day!*

# Wesleyan World Hunger Plan

## Family and Individual Shares

$\$1/\text{day} \times 365 \times 1,000 \text{ World Wesleyans} = \$365,000 \text{ or } 4,000 \text{ fed}$   
 $\$1/\text{day} \times 365 \times 10,000 \text{ World Wesleyans} = \$3,650,000 \text{ or } 40,000 \text{ fed}$   
 $\$1/\text{day} \times 365 \times 100,000 \text{ World Wesleyans} = \$36,500,000 \text{ or } 400,000 \text{ fed}$   
 $\$1/\text{day} \times 365 \times 1 \text{ million World Wesleyans} = \$365 \text{ million or } 4,000,000!$

## Junior Shares

$\$.10/\text{day} \times 365 \times 10,000 \text{ World Wesleyan children} = \$365,000 \text{ or } 4,000 \text{ children fed}$   
 $\$.25/\text{day} \times 365 \times 10,000 \text{ World Wesleyan youth} = \$912,500 \text{ or } 10,000 \text{ youth fed}$

## “As Much for Others as for Me” A sacrificial giving plan for leaders

The leader invitation is to commit as much per person as you budget for your monthly food consumption.

$\$100/\text{mo} \times 1,000 \text{ World Wesleyan Leaders} = \$1,200,000 \text{ or } 13,150 \text{ fed}$   
 $\$100/\text{mo} \times 10,000 \text{ World Wesleyan Leaders} = \$12,000,000 \text{ or } 131,500 \text{ fed.}$

The ministry scope and power of this plan is based upon the sustained sacrificial giving of a relatively small amount of money given daily by a growing and eventually large Wesleyan family of givers. Examples given are persons who are able to be fed one SHN meal for an entire year for as long as the giver is able and willing to give.
